Sir:

This communication is responsive to the Office Communication mailed January 10, 2003 in the above-referenced application. This reply is mailed within one month of the mailing date of the Office Communication, making it timely filed on or before February 10, 2003.

The Office Communication indicated that the amendment mailed October 18, 2002 did not comply with the requirements of 37 C.F.R. §1.121 because it removes the word "culturing" from claim 13, without indicating its removal in the marked-up version of the claim. Applicants did not intend to delete the word "culturing" from claim 13, and omission of this word was unintentional.

As per the Examiner's instruction, the amendment mailed October 18, 2002 is re-submitted herewith.

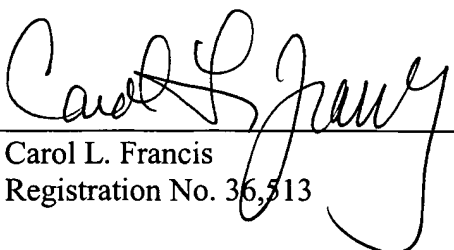

Applicants request entry of the amendment resubmitted herewith.

Applicants further request consideration of the Information Disclosure Statement mailed October 18, 2002.

The Commissioner is hereby authorized to charge any underpayment of fees associated with this communication, including any necessary fees for extensions of time, or credit any overpayment to Deposit Account No. 50-0815, order number RICE-014.
